MEMORANDUM FOR: Assistant Director for Research and Reports

SUBJECT: Dissemination of Report Entitled "An Appraisal
of the Field Survey of Soviet Civil Aviation"

REFERENCES: (a) Memorandum from AD/RR to AD/O, 8 August 1961,
same subject

(b) Memorandum from AD/O to AD/RR, 19 June 1961,
Subject: "Draft Appraisal of the Field Survey
of USSR Inland Waterway Transportation"

1. I have no objection to "An Appraisal of the Field Survey of USSR Civil Aviation" being made available to Mr. Alan S. Boyd, Chairman, Civil Aeronautics Board and Mr. Raymond Maloy, Director, International Aviation Services, Federal Aviation Agency providing Appendix D and the references to Appendix D throughout the text are removed. Inclusion of this appendix and references to it would almost inevitably result in demands for release of raw reports to which demands we are not prepared to accede. However, if you can guarantee that no requests will be entertained for access to the raw reports, I will waive the above.

2. Reference (b) avoided providing a blanket authorization to distribute reports of this type on a "Limited" basis to others than members of the USIB. I wish to consider each such request upon its individual merit.
